

# Penny Press Machine

The Standard in Experiential Souvenirs

Theme Parks | Zoos | Museums | Historical Sites | & More

## Why VENU+

### Built for Your Venue

Whether it is our top-of-the-line, touchscreen-enabled electric press or our tried-and-true manual crank, VENU+ penny presses are the industry standard. And they're crafted uniquely for you – coins, branding and theming – just as our business relationship will be personal and tailored. With near-anywhere placement flexibility and simple, intuitive use, collectible coins drive revenue with guests of all ages.

## Creating Timeless Memories

Nearly everyone recalls crushing a penny into a keepsake. For many, it is a right of passage when visiting a park, the zoo or a museum. There are few, if any, rivals for offering guests a permanent reminder of their visit at such a reasonable price point. Let our team of experts and artisans design your experiential souvenir program. We promise we will crush it!

## Penny Collector Products

VENU+ offers the perfect way to keep and display your elongated penny and medallion collection with custom coin albums and wearables.

### Customized Collectible Coin Albums

Each coin album, customized to fit your venue, holds 40 elongated pennies and 4 medallions.

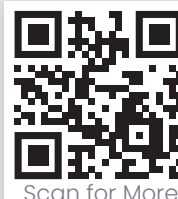

### Penny Collector Products

Proudly wear your favorite elongated penny on one of our Penny Collector wearables. Bracelets are one size fits all. Keychains have a magnet on the back for a second display option.

## We Also do Medallions!

Drive in more revenue and give guests more options by checking out our medallion machines.
